Introduction

Missio is the Pope's official charity for overseas mission. Through educational, medical, welfare and formation initiatives, Missio brings the hope of the Gospel where there is turmoil, poverty and uncertainty in the world.

Assemblies

Missio produces faith based assemblies which follow the liturgical year. These resources encourage young people to reflect on what it means to belong to the People of God and be missionaries of God's love. Assemblies are free to download from our website missio.org.uk

Workshops

Missio leads workshops and mission events with key stages 3, 4, and 5. We are happy to work with schools to incorporate Missio's message with themes pertinent to needs and requirements. For details please contact Claire@missio.org.uk

INSET

Missio has created a staff INSET exploring mission and catholic education in a changed and changing cultural landscape. For details please contact Claire@missio.org.uk

Films & Social Media

There are a number of films on our website supporting themes such as, Universal Church, CST and vocations. We are also active on social media, posting news and updates @MissioUK
