

# Your Red Box Appeal Activity Sheet

Today a Red Box visitor has come to your parish to talk about the Mill Hill Missionaries and the Pope's charity, Missio. They will ask the parishioners to pray for and share with other parishes around the world where children and adults struggle because of poverty or conflict.

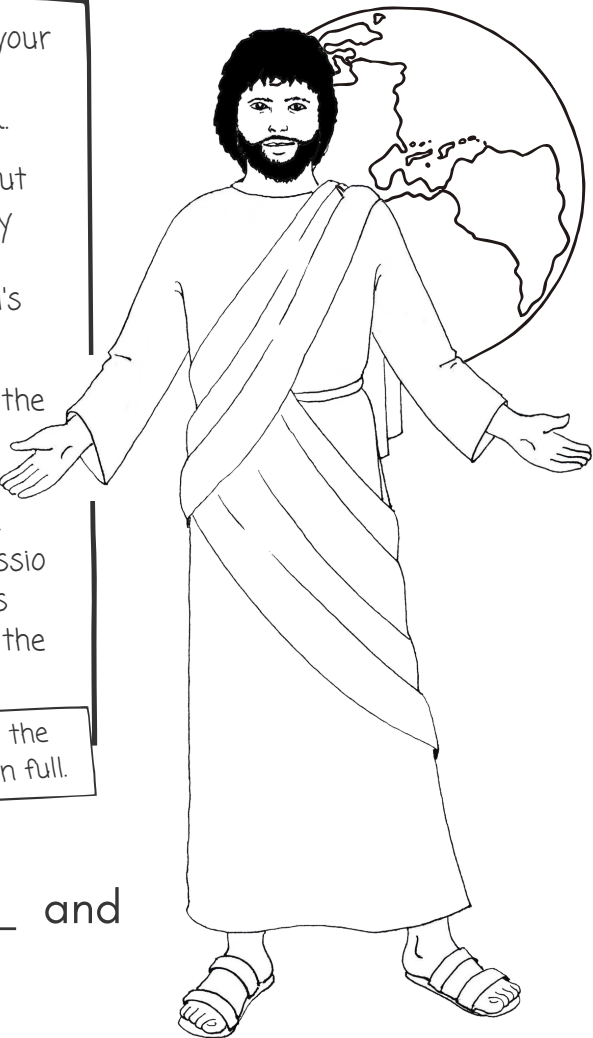

Listen carefully to the appeal given by your Red Box visitor. If you hear any of the words in the boxes alongside, add a tick.

All these words help us learn more about the Mill Hill Missionaries and the charity Missio, and how they help us to stand together as brothers and sisters in God's global family.

You can see that the first box contains the word 'Jesus'. This helps us understand that sharing the love and message of Jesus with everyone in the world is the first thing Mill Hill Missionaries and Missio aim to do. It's also the instruction Jesus gave to his followers, as you can see in the Gospel passage below.

You'll need to work out the missing words to read in full.

'And \_ \_ \_ \_ \_ said to them, "Go \_ \_ \_ \_ \_ to the whole \_ \_ \_ \_ \_ and proclaim the \_ \_ \_ \_ \_ News to all creation."' *The Gospel of Mark 16:15*

One of the ways Missio helps others is through Missionaries like Sr Eulie and Fr Ephraim MHM. They are pictured here. A Missionary is someone who leaves home and family to share the love and message of Jesus around the world; often in places of poverty and hardship. Sr Eulie looks after migrant children in Cambodia, Fr Ephraim visits sick and elderly people within his parish in South Africa.

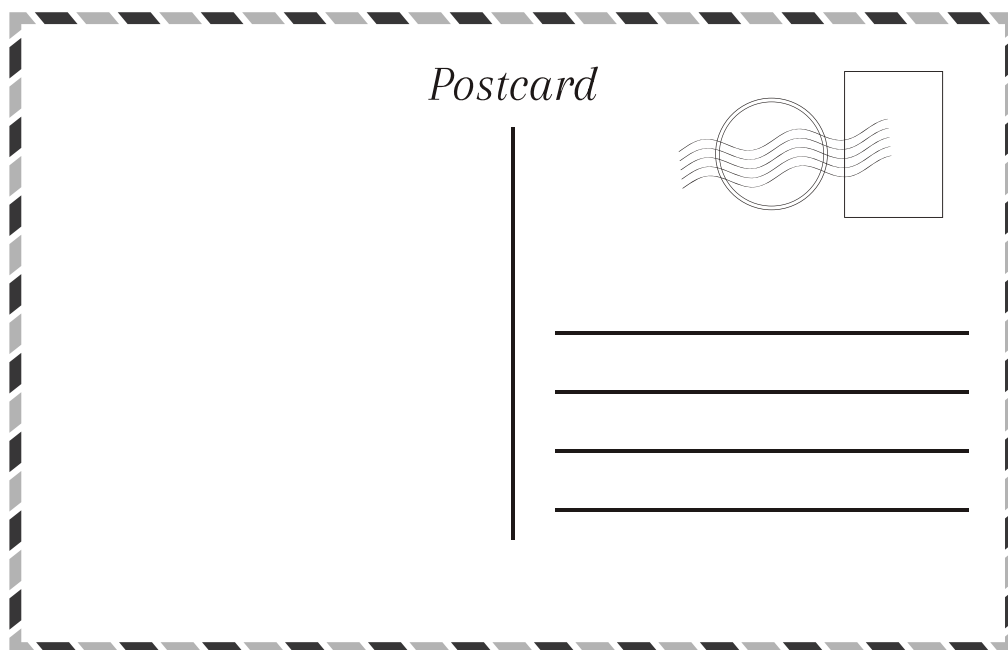

Missionaries remind us that we are all part of God's family and that we should pray for, and share with each other, just as we do with our families at home. Through our prayers and donations, we can make sure all God's children have the things we need to stay healthy and happy. Some of these things are listed below, try to find them in the word search.

*Postcard*

Imagine you are a missionary. Write a postcard home and tell your family the best thing about sharing God's love with everyone. It may be helpful to use some of the words from the word search.
